VENETIAN

BACK TO THE ESSENCE OF THE FINNISH SAUNA

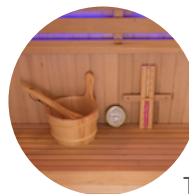

A stylish, elegantly-designed traditional steam sauna.

Delight in all the benefits of a luxury steam sauna behind large glazed surfaces, adorned with elegant louvered shutters.

Its Canadian spruce wood construction alone conjures up relaxation and wellness. Inside, the 2-tiered benches, similar to those in traditional Finnish saunas, invite you to enjoy a range of temperature levels (for the 3/4 and 4/5 person models).

In addition to its exclusive design with outstanding finishes, the Venetian cabin is also fully equipped for you to enjoy a luxury steam sauna session.

ACCESSOIRES INCLUS

Harvia stove and all accessories for a steam sauna included.

The Venetian is equipped with a Harvia stove and volcanic stones, sized according to the dimensions of the cabin.

We also include in all our steam saunas the essential accessories such as bucket, wooden ladle, thermometer and hourglass..

MAIN FEATURES

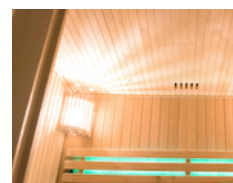

Outside in Canadian spruce wood.

Large glazed surfaces covered with solid wood louvered shutters.

Two-tiered benches (for the 3/4 and 4 sauna only) to adjust the intensity of the session in Finnish tradition.

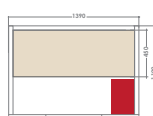

Large selection of ambiances, soft lighting and LED chromotherapy.
