The Art of Urban Well-Being

Compact, elegant, and high-performing the Cocoon 2-person outdoor has been specially designed to fit seamlessly onto terraces and urban spaces. **Made from thermo-treated Canadian pine, it combines natural aesthetics with exceptional resistance to weather conditions.**

Equipped with authentic steam technology and a chromotherapy LED strip, it creates a soft and relaxing atmosphere, perfect for a wellness moment alone or with someone else. **A true blend of relaxation, elegance, and innovation, signed Holl's.**
